Children love to see photos of themselves and their friends. We sometimes use photos to record our projects, as part of activities, or as visual aids around the classroom. We also send many photographs home to families when we are done with them. Please indicate if you give permission for your child's photo to be taken for classroom use.

YES, I give permission for my child to be photographed for classroom use.

NO, I do not give permission for my child to be photographed.

We are on social media! Our social media pages are used to share news, reminders, and information about our program. Please let us know below if we may include photos with your child on our social media pages.
